

How to Add Bank Transfer as a Payment Method for Your Online Store?

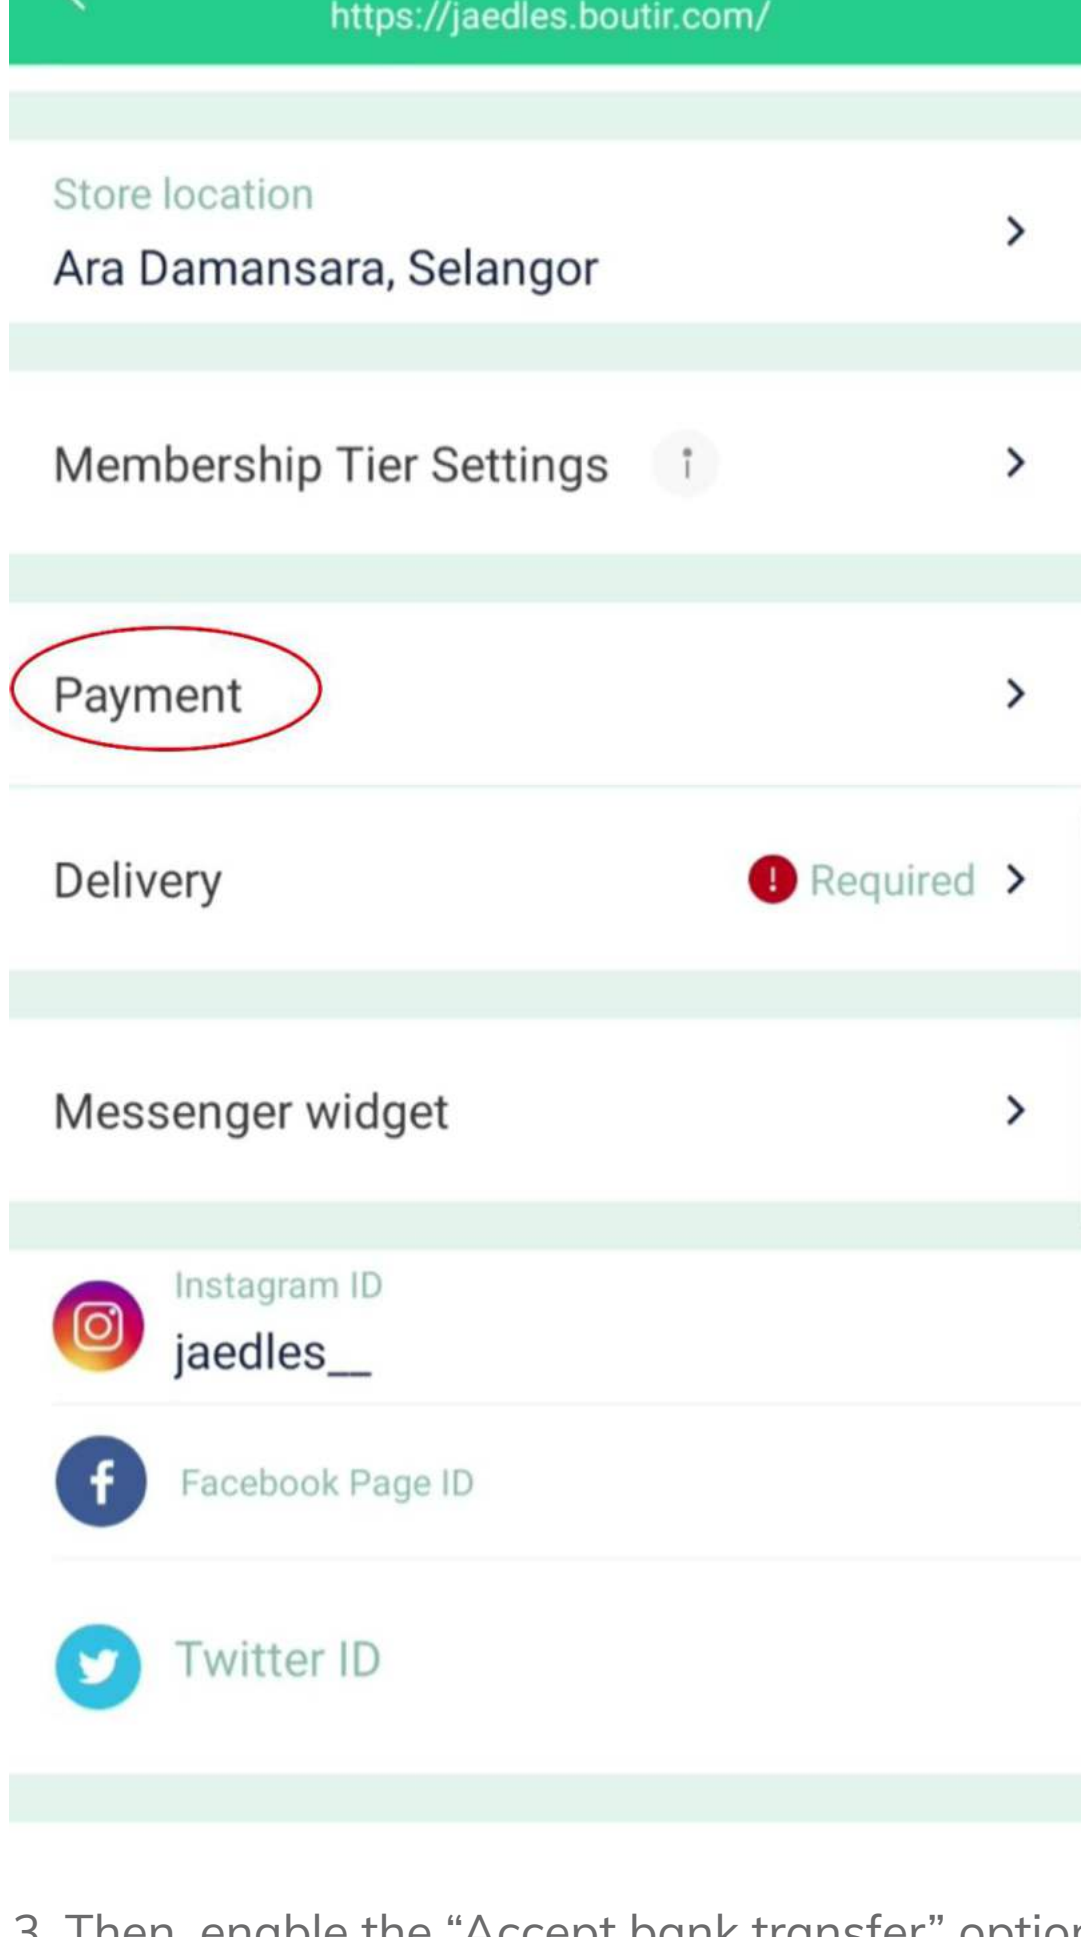

ENGLISH TUTORIALS, INTRODUCTORY SERIES

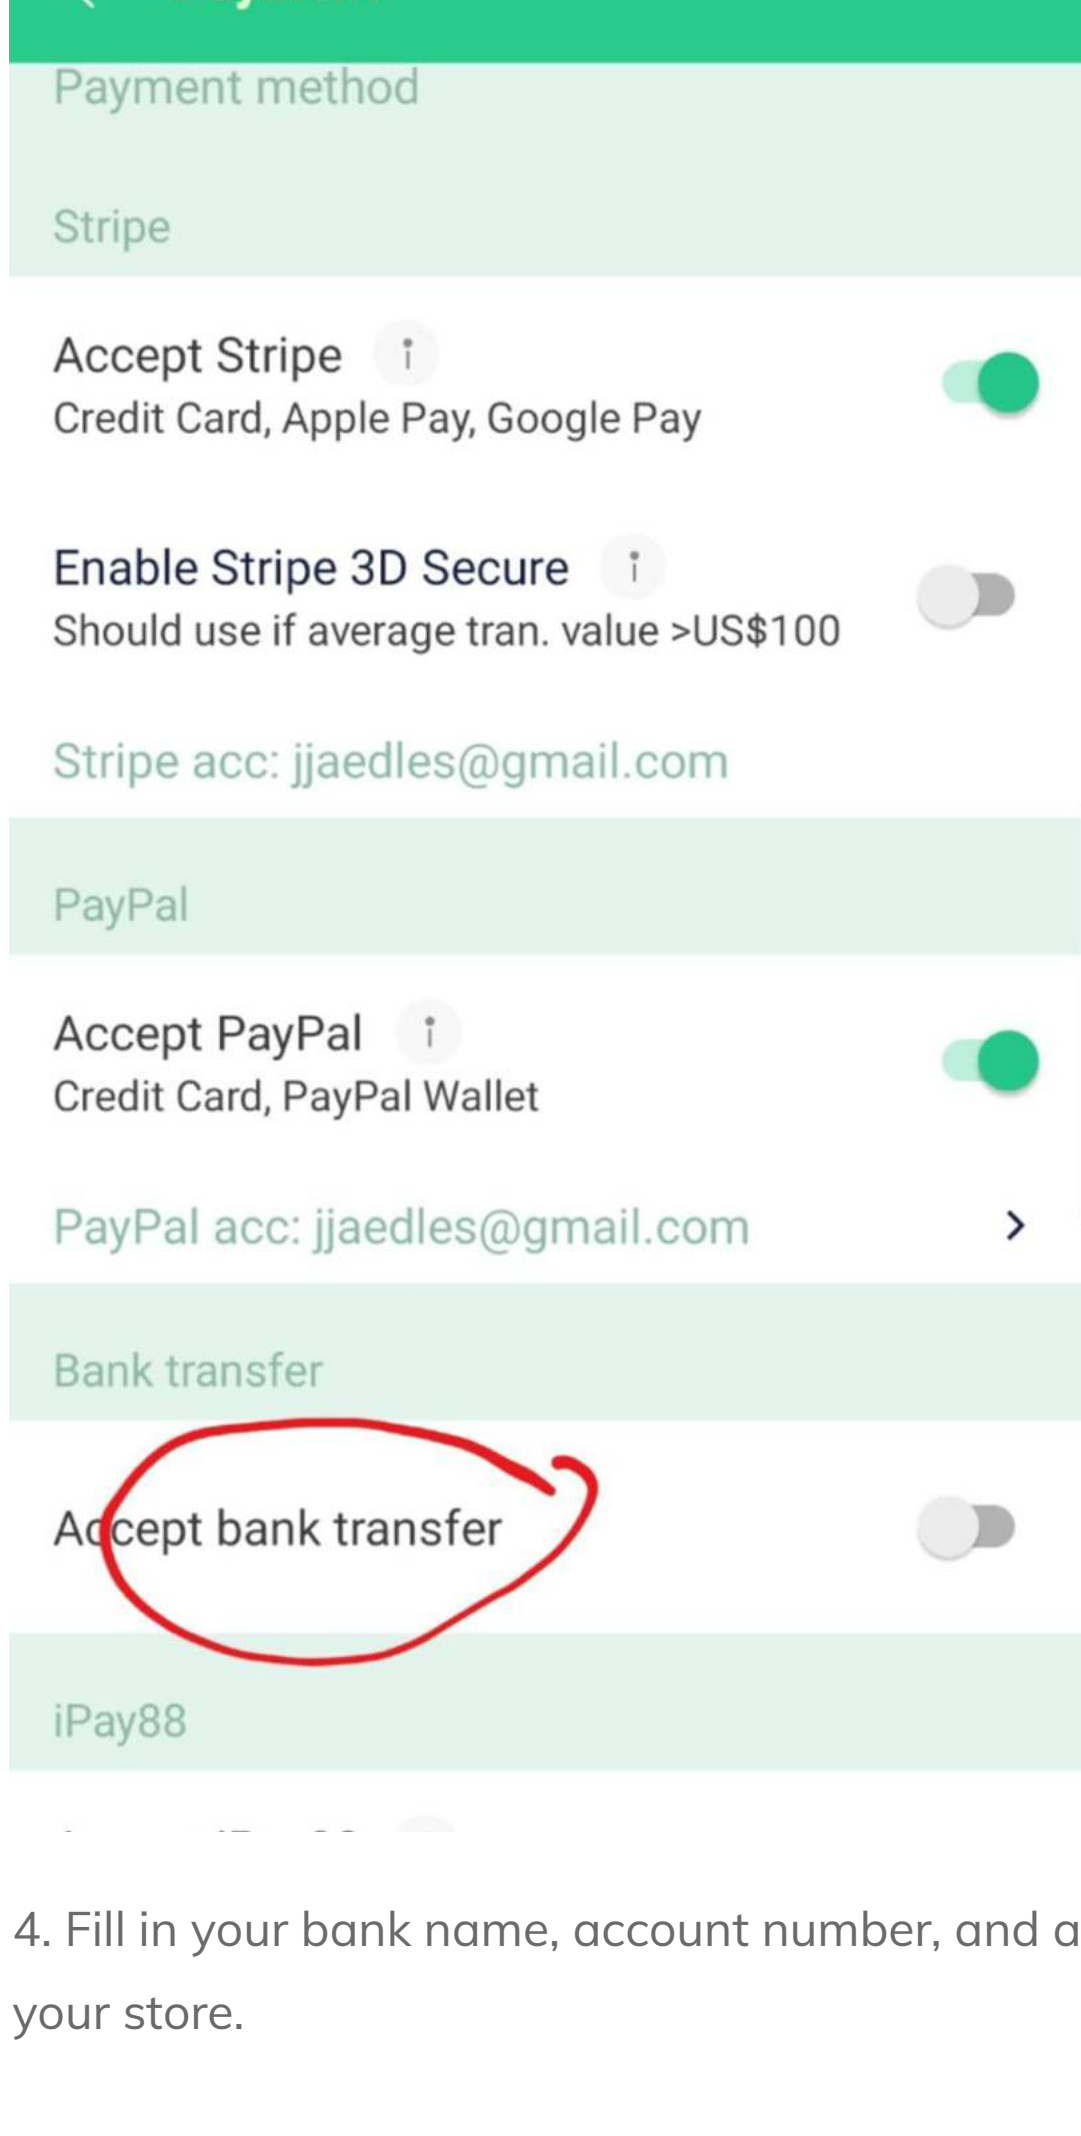

1. On your Boutir app homepage, tap the "Store Settings" option.

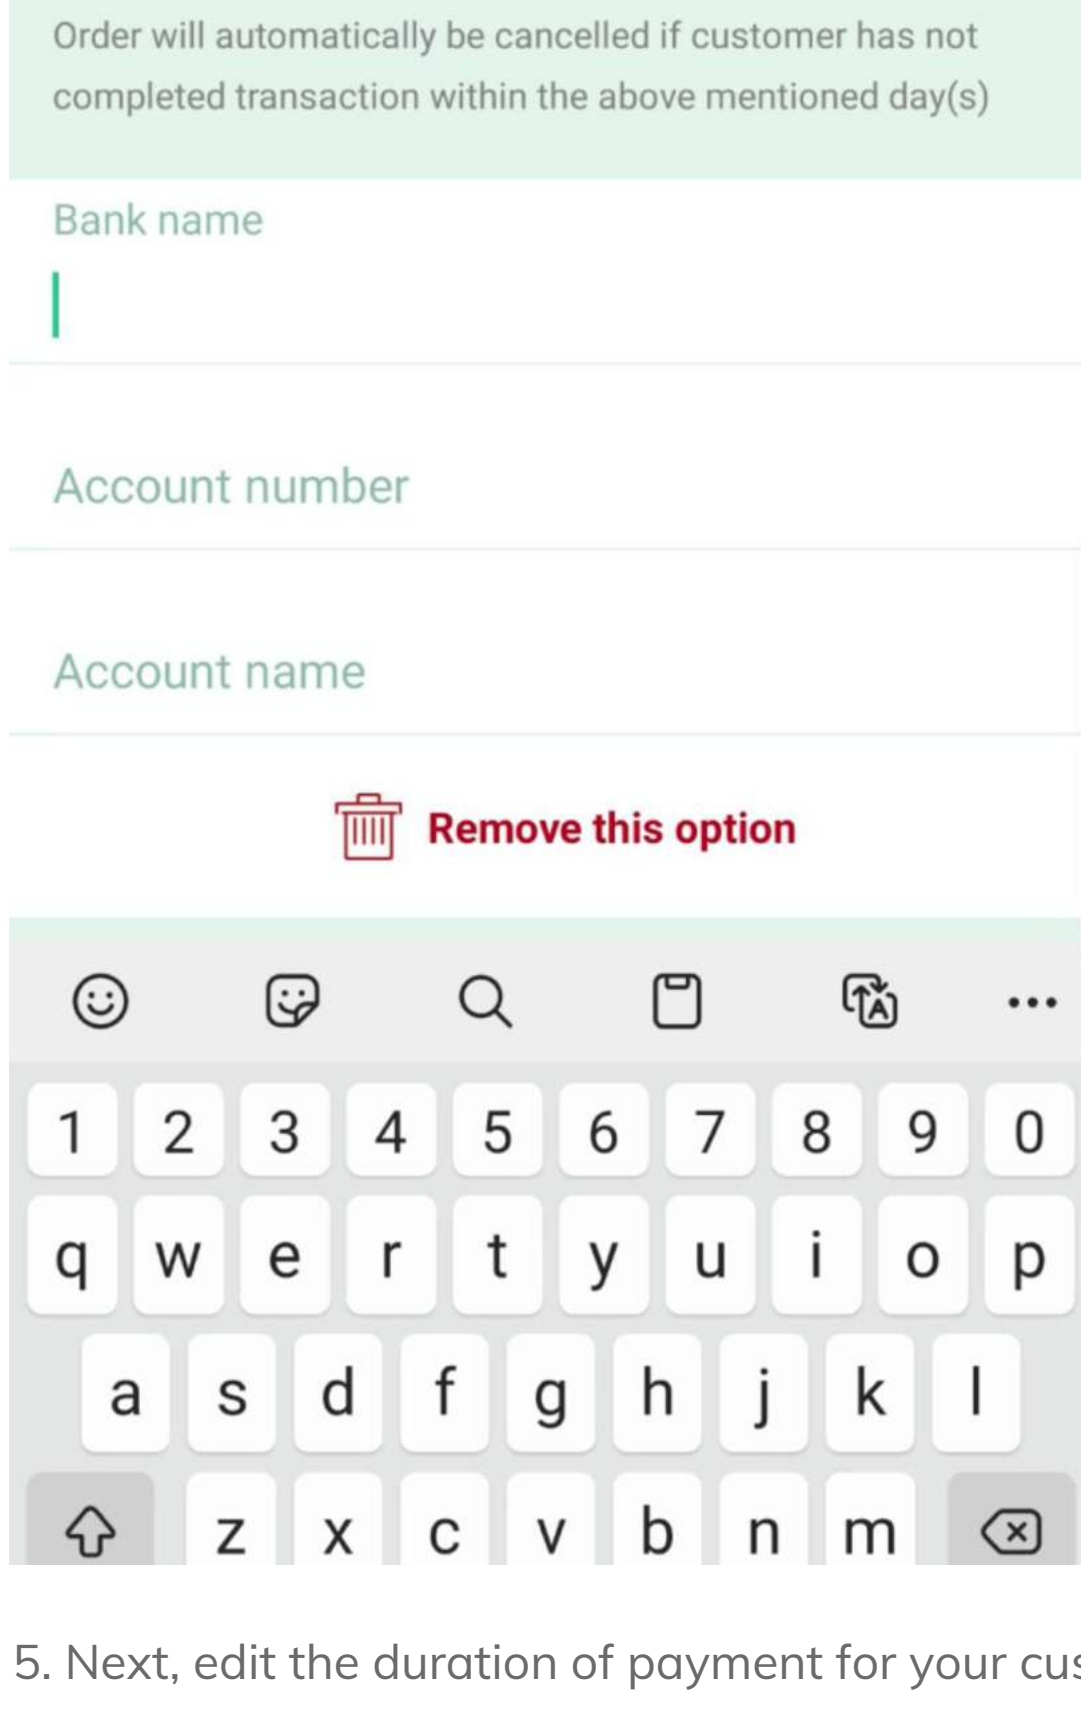

2. Tap on "Payment".

3. Then, enable the "Accept bank transfer" option.

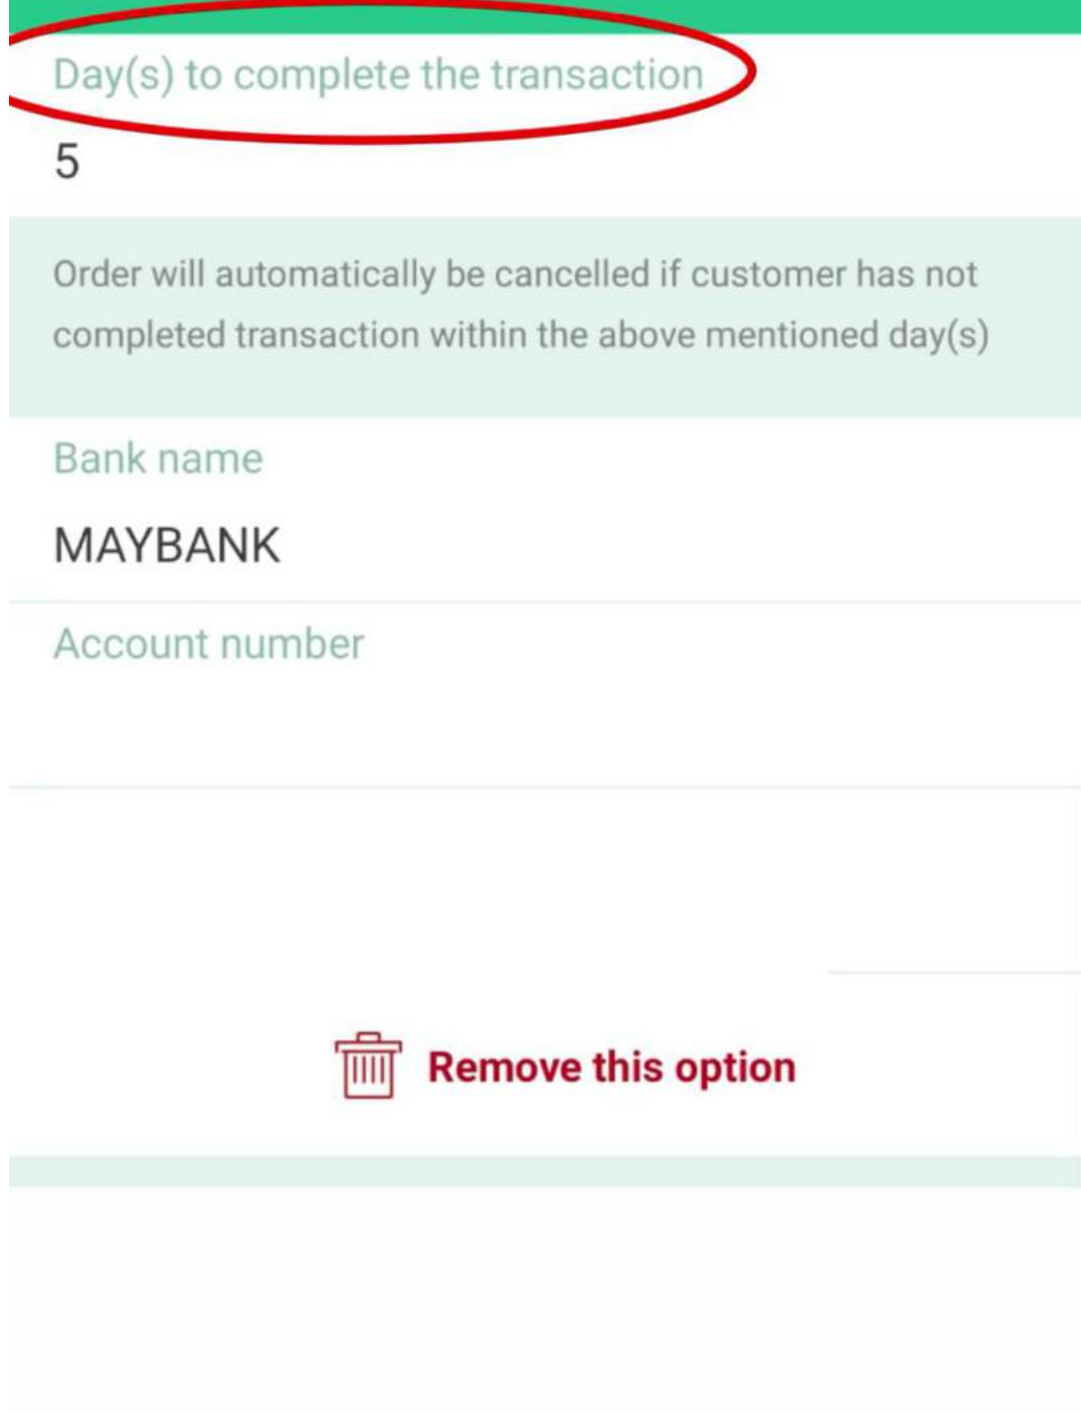

4. Fill in your bank name, account number, and account name. Note that only your bank name will be visible in your store.

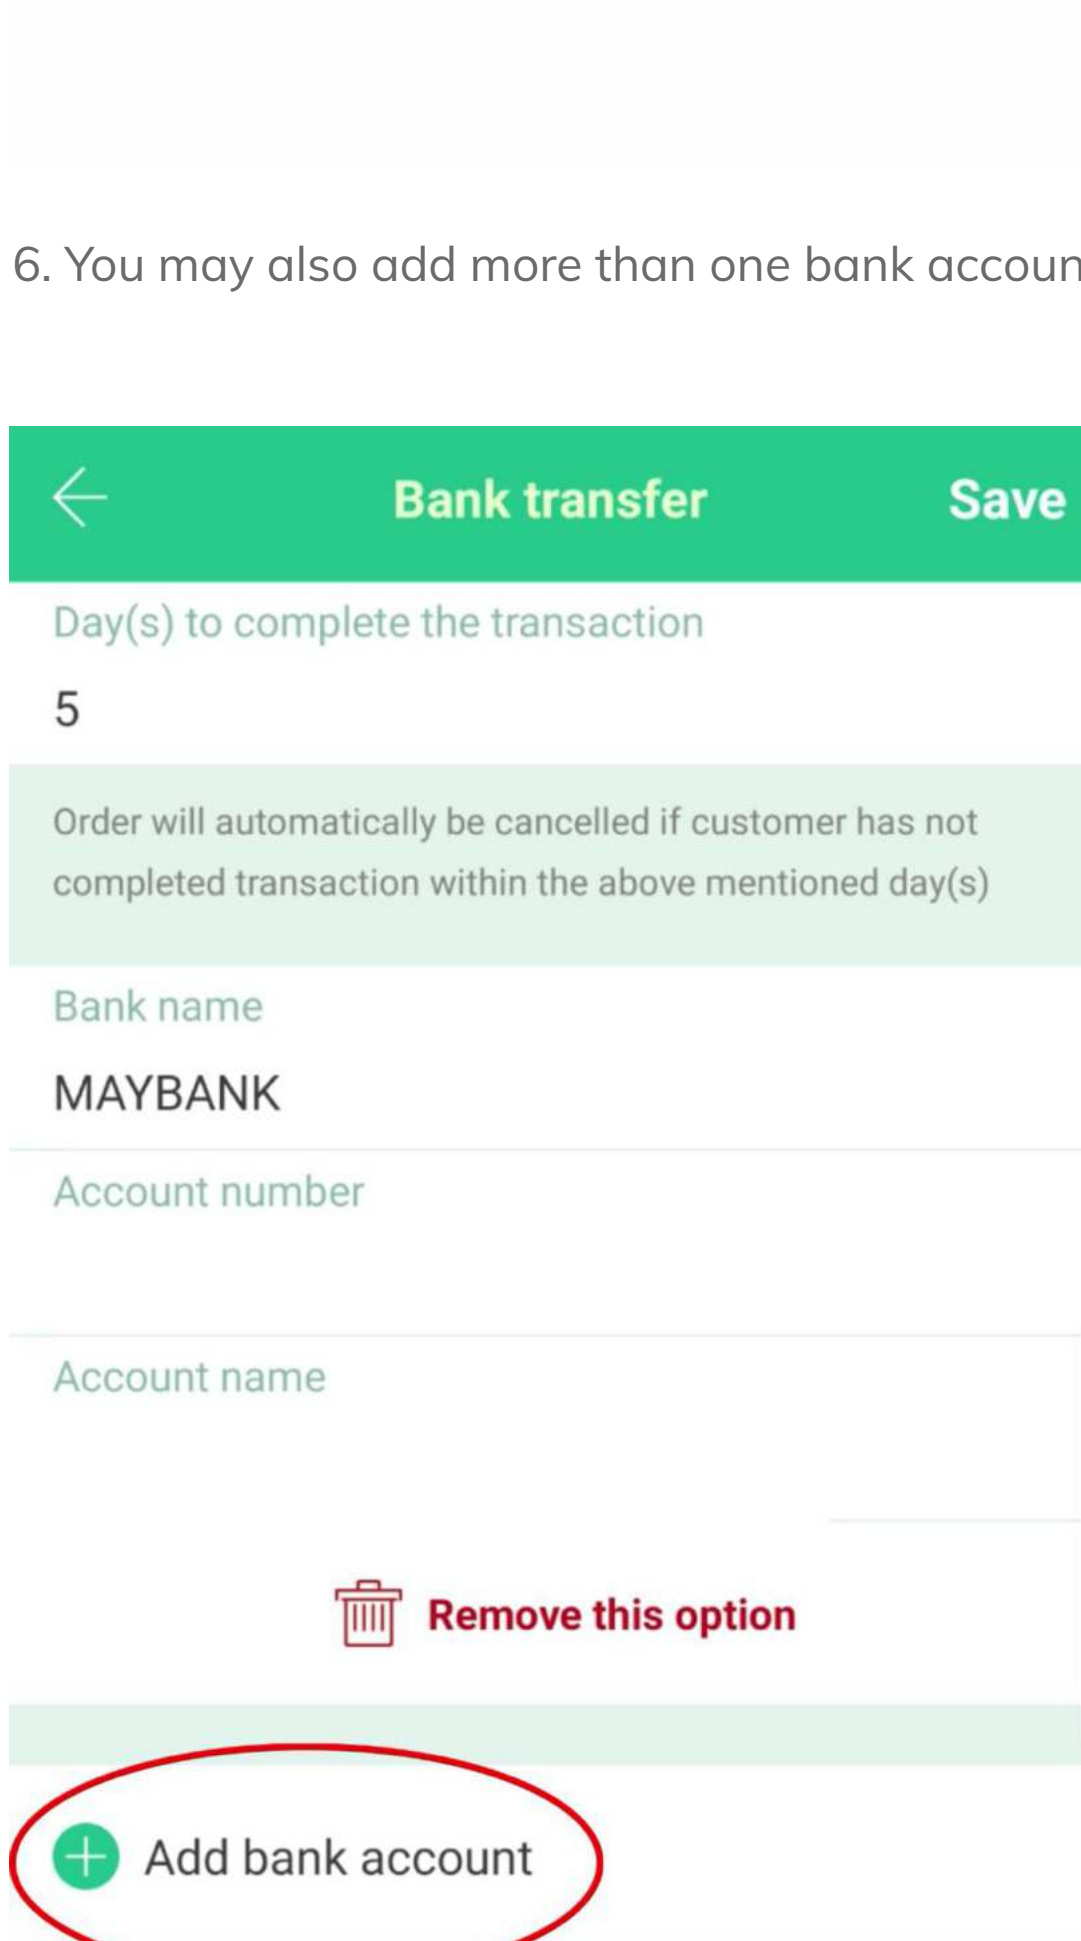

5. Next, edit the duration of payment for your customers.

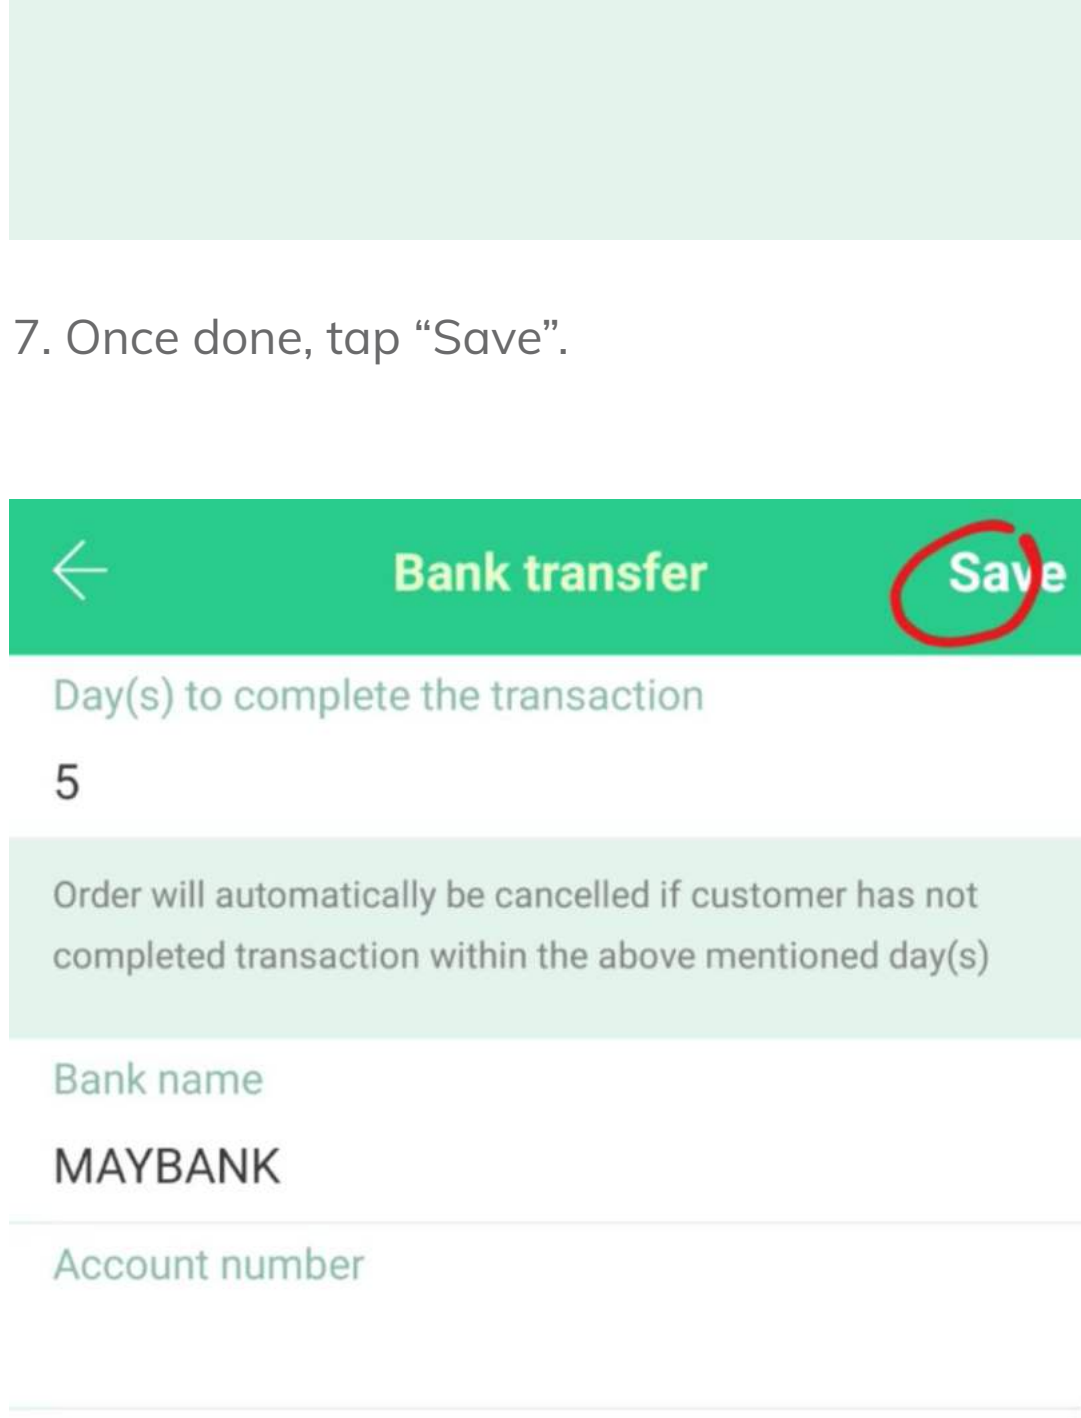

Note: your customer's orders will be automatically canceled if they did not make payment within the duration that you have just set.

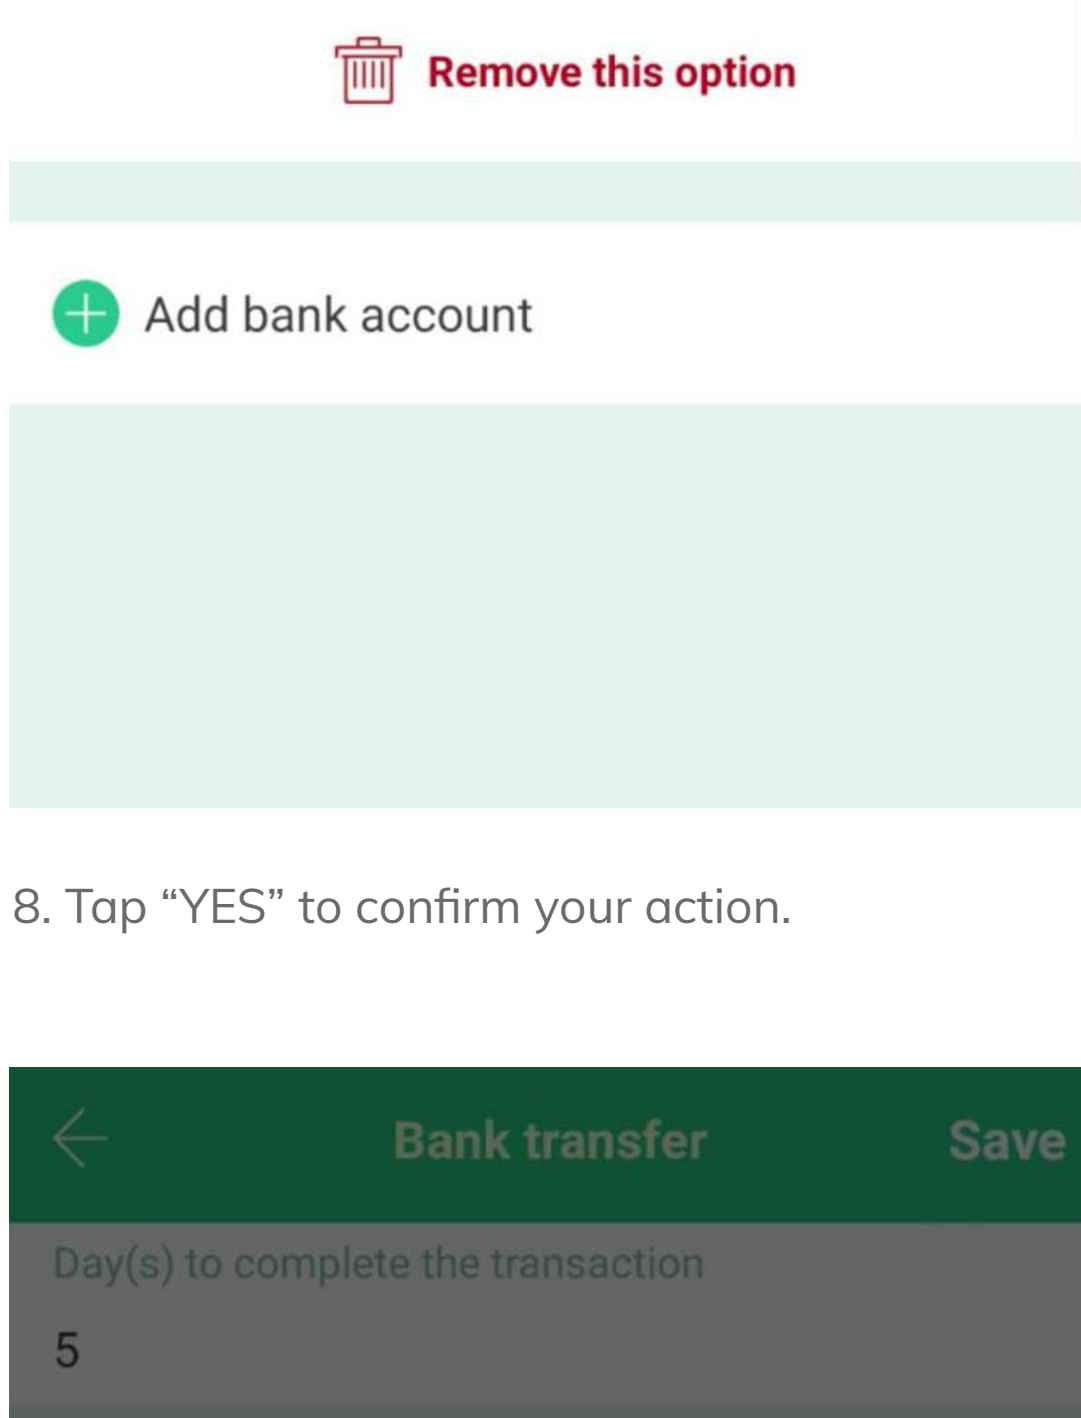

6. You may also add more than one bank account.

7. Once done, tap "Save".

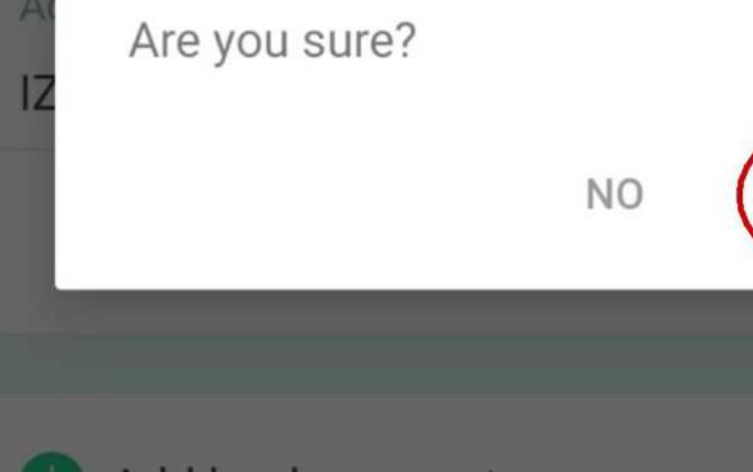

8. Tap "YES" to confirm your action.

With that, your bank transfer option is now set!
