

How to Beautify Your Online Store?

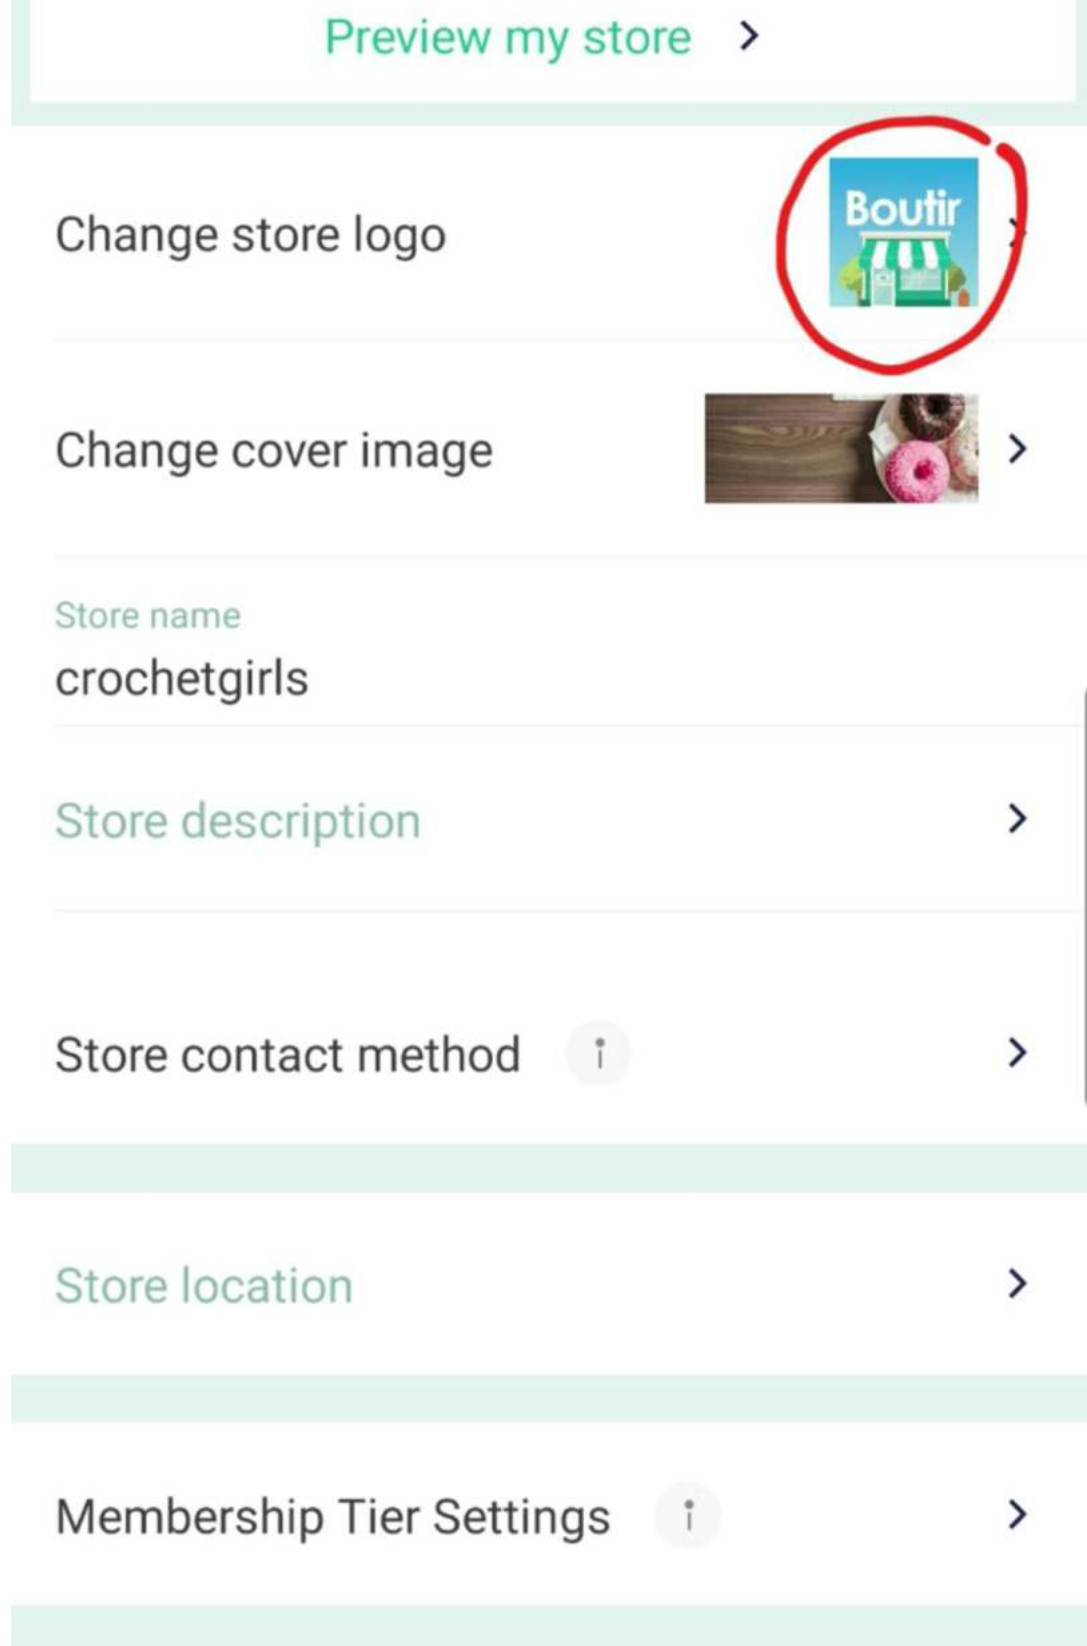

ENGLISH TUTORIALS, INTRODUCTORY SERIES

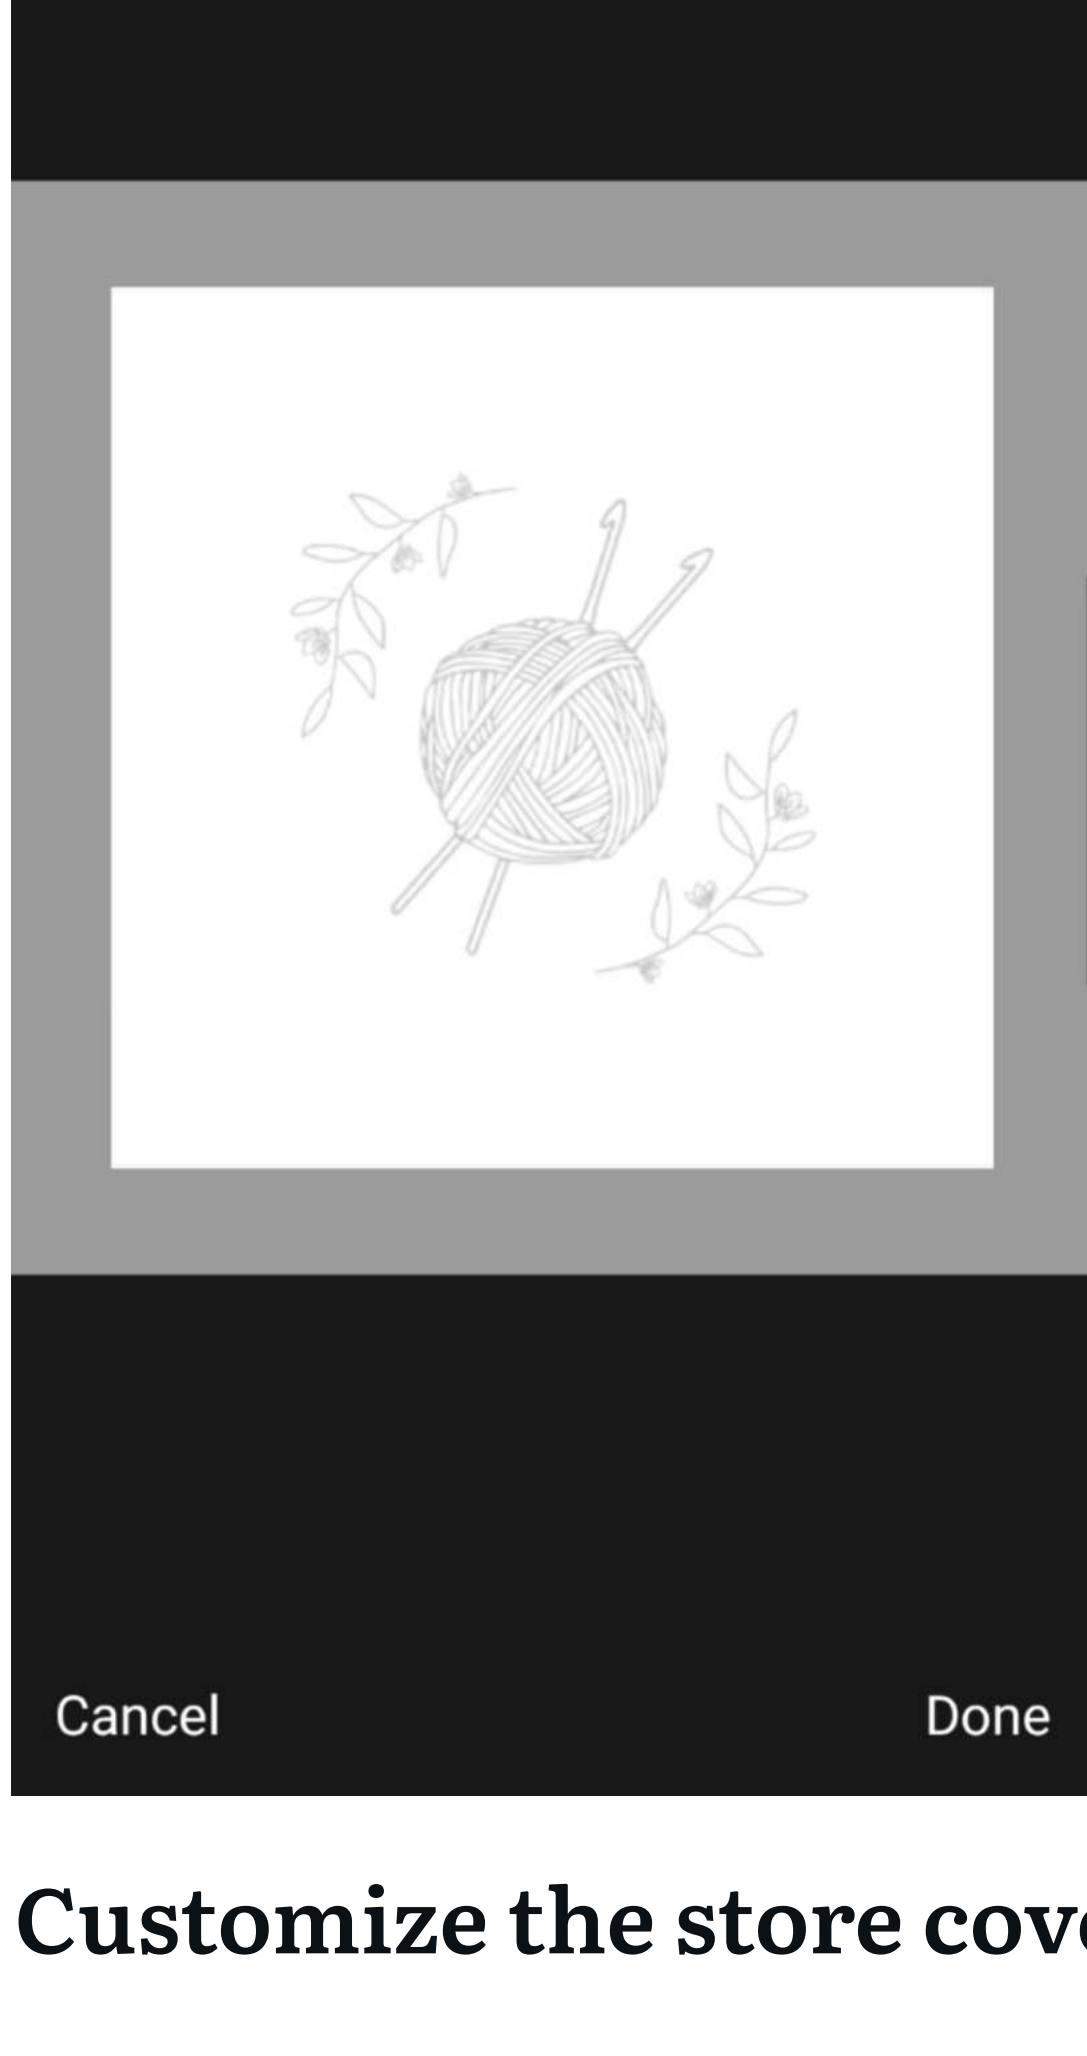

1. On your Boutir app homepage, tap "Store Settings".

2. Next, tap "Change Store Logo". You can choose your logo from your device's photo library. The recommended photo size is the square size at 100 by 100 pixels.

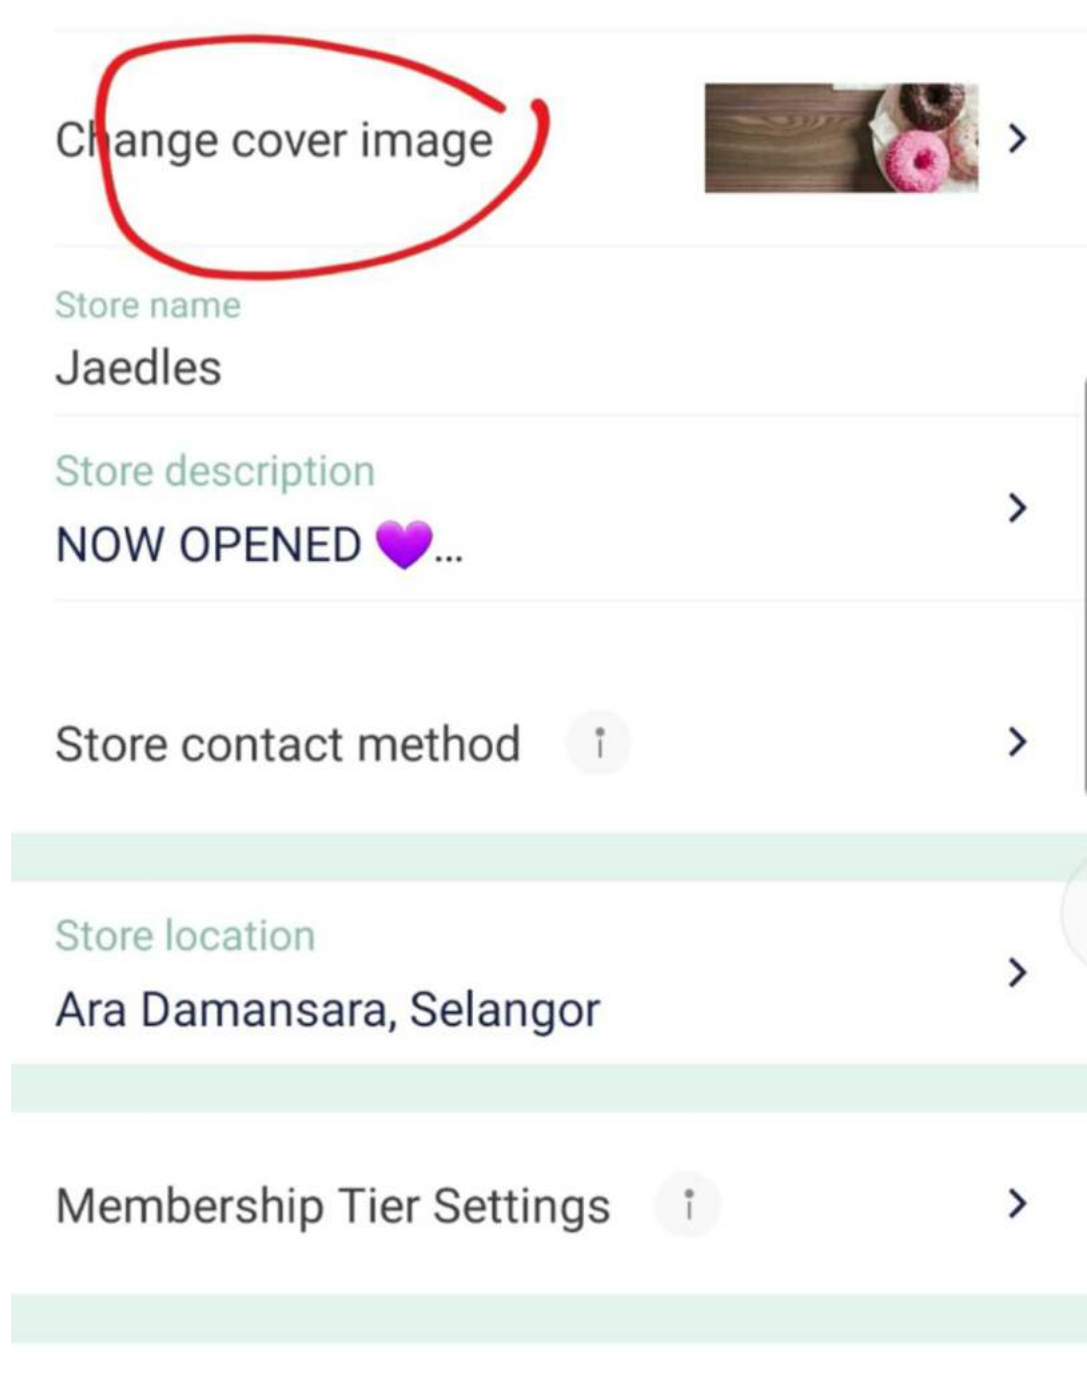

3. Once chosen, you may pinch in and out to adjust the size of your logo. Once uploaded, tap "Done".

Customize the store cover image of your online store

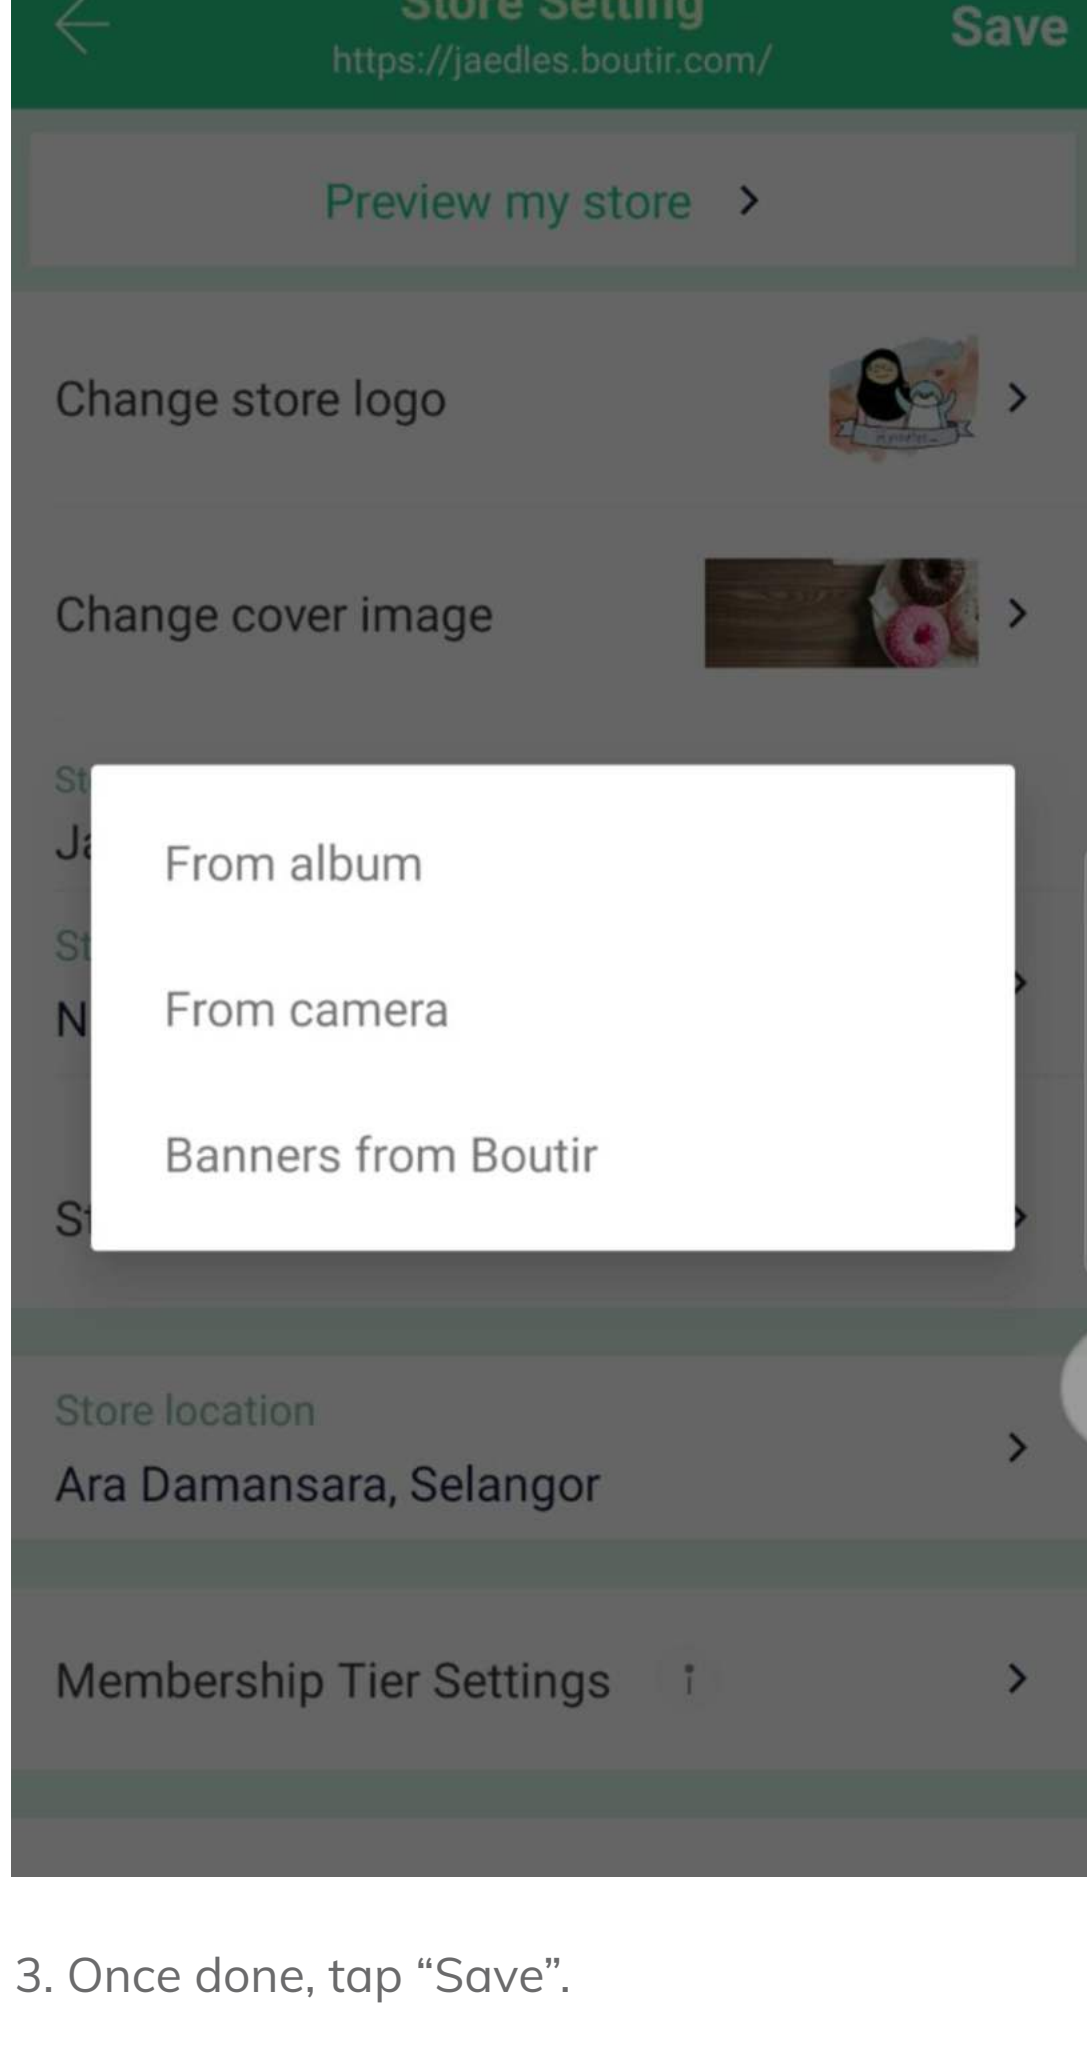

Note: this is only available for paid plans.

1. In the store settings page, tap "change cover image".

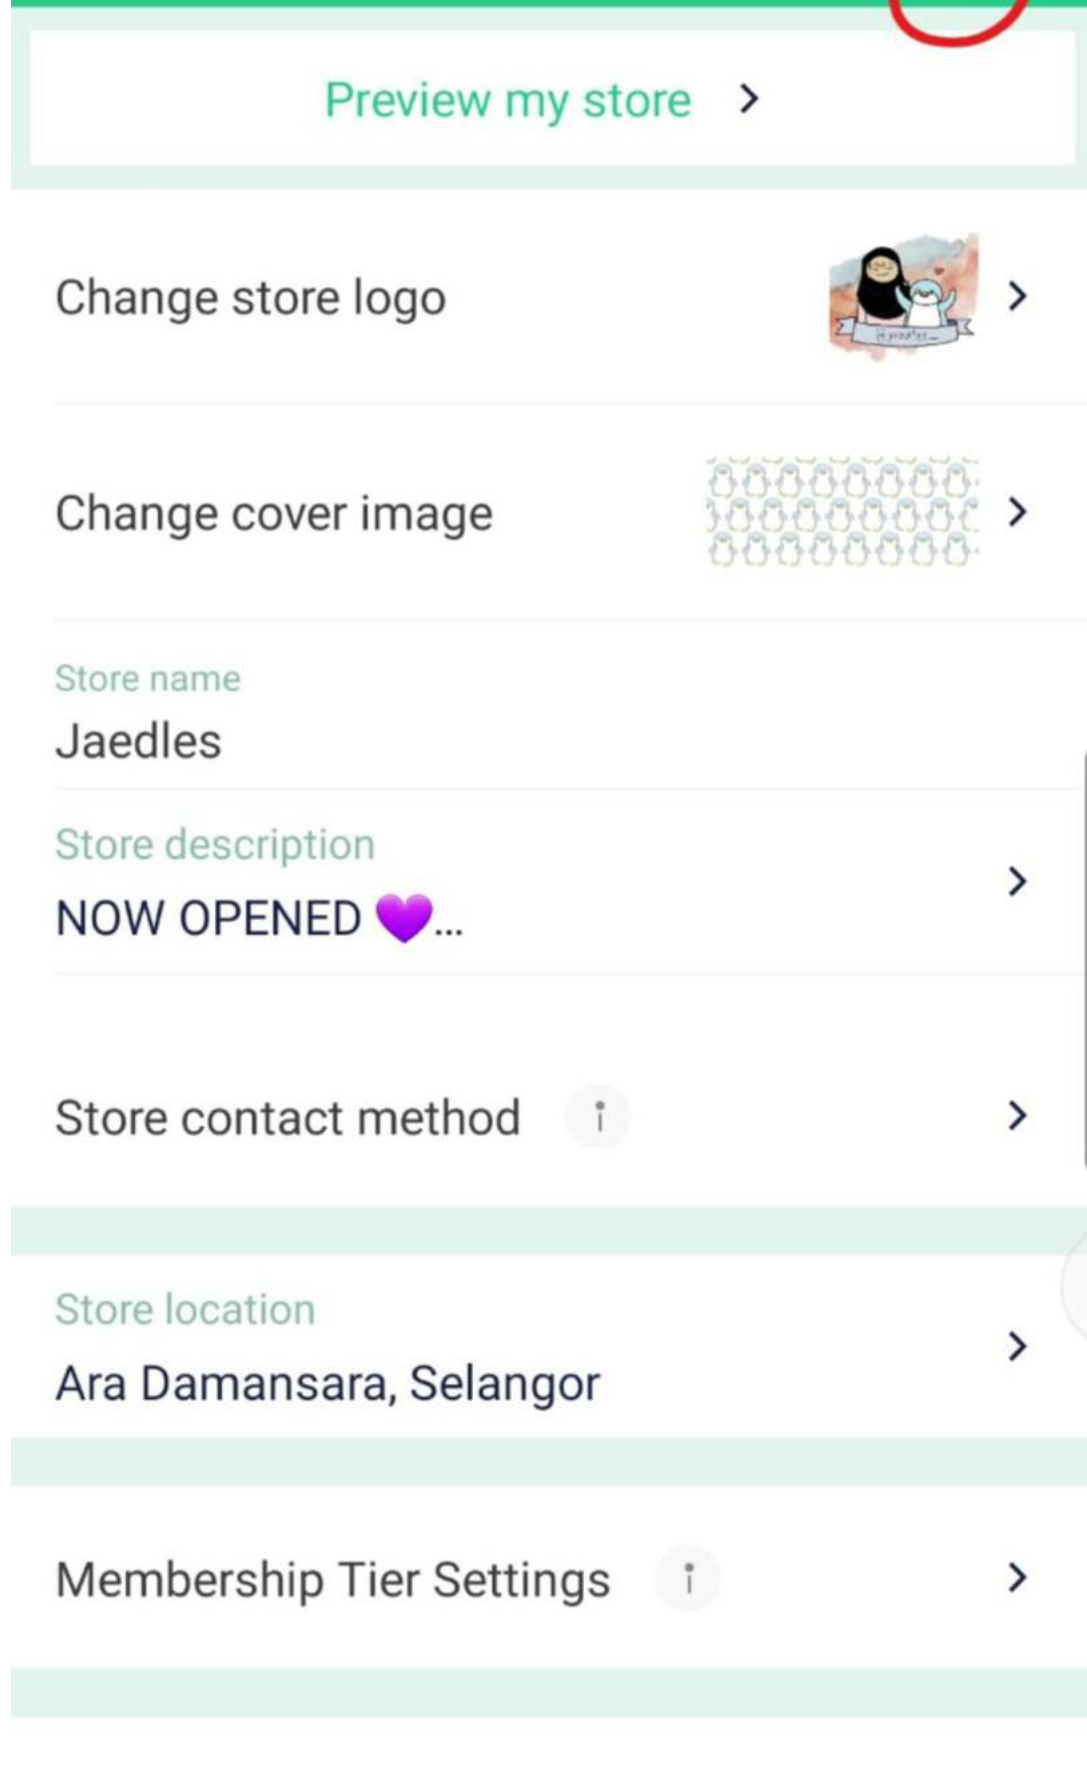

2. You may choose the image via your device's photo library, your camera, or banners from Boutir. The recommended image size should be 2160 pixels in width and 864 pixels in height.

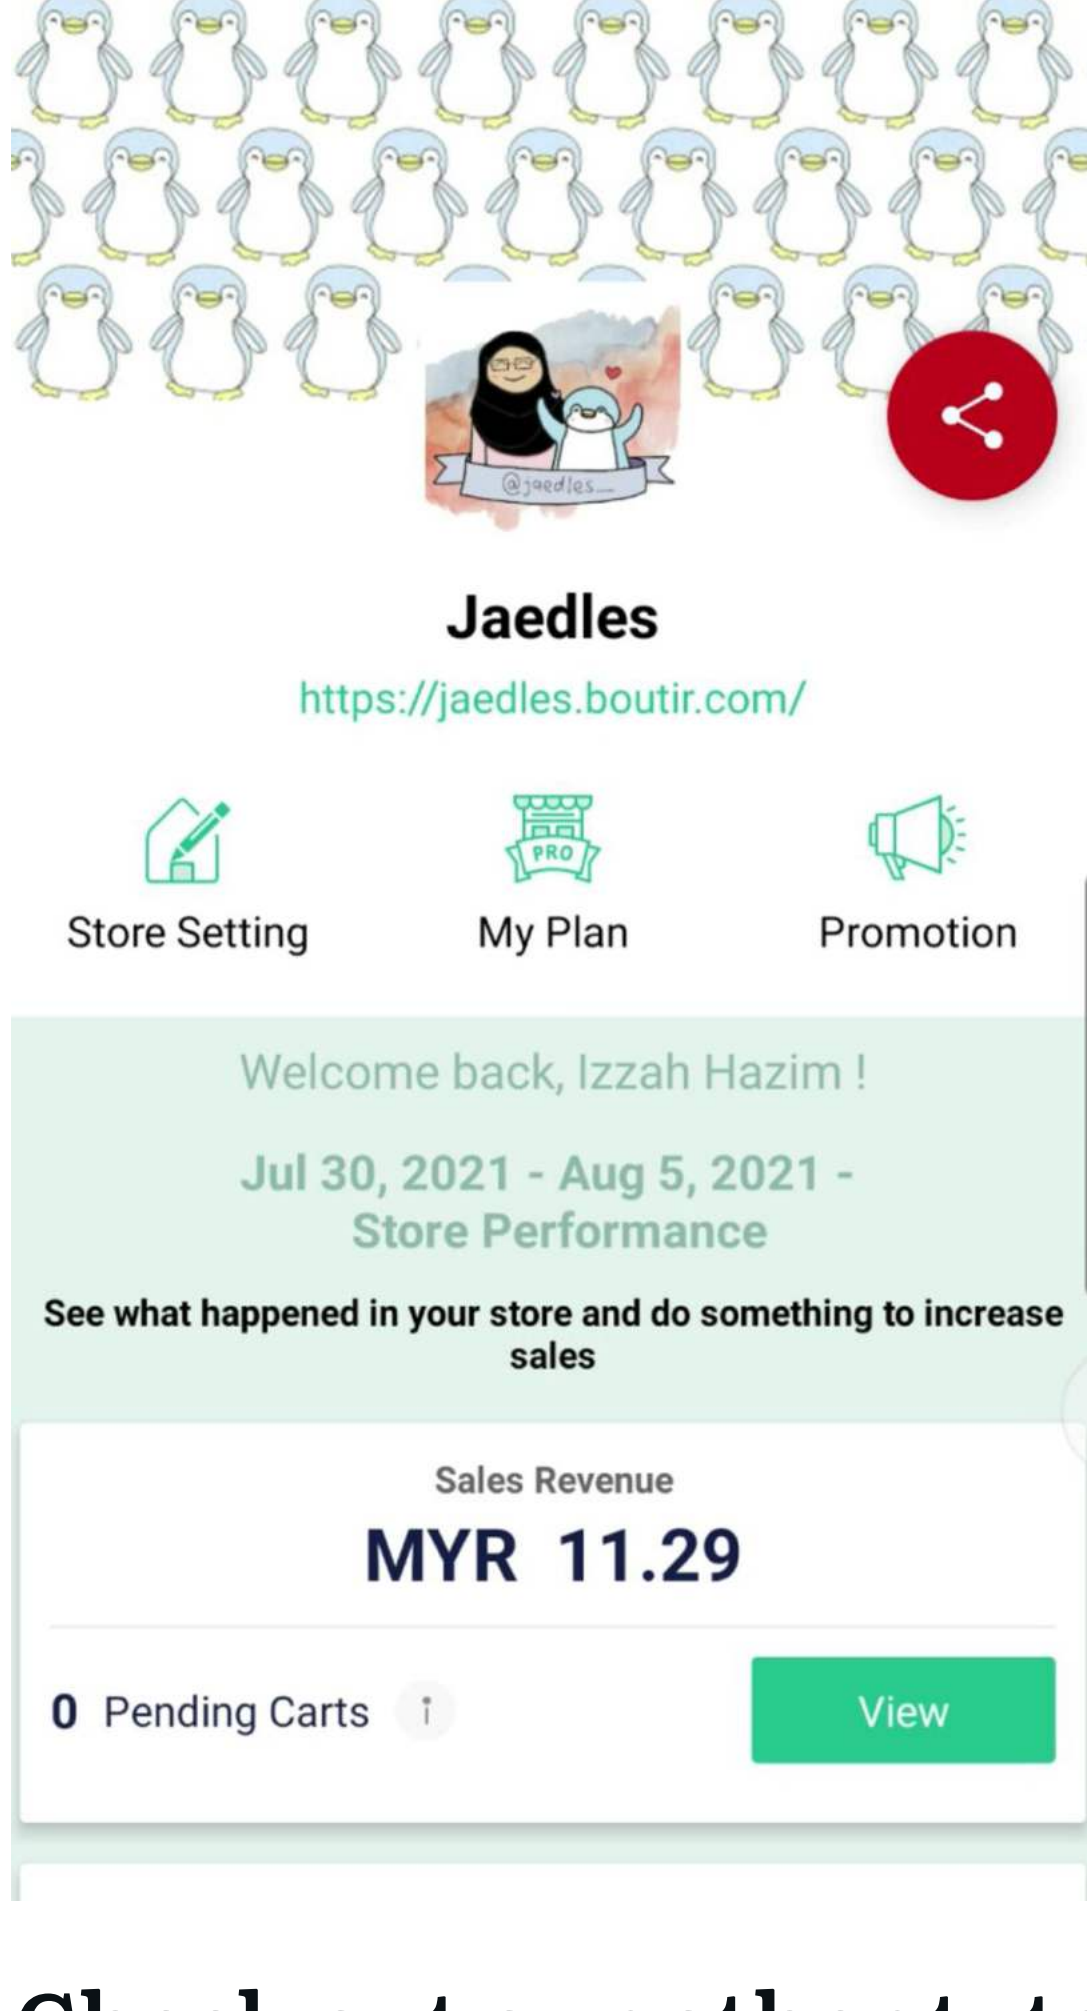

Note: the higher your paid plan is, the more images you can upload as your cover photo.

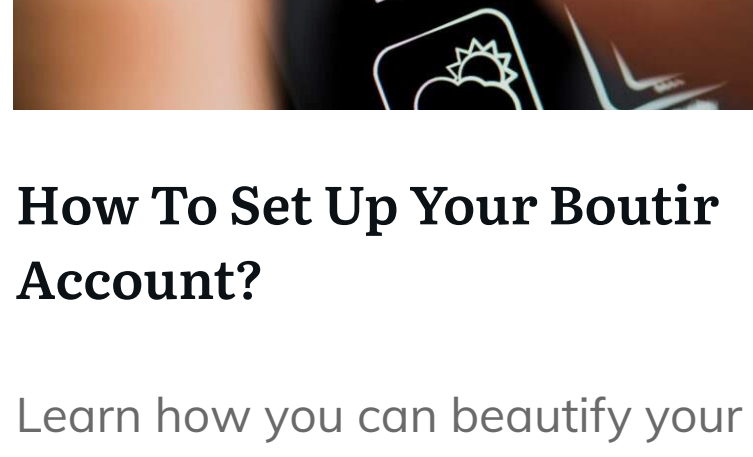

3. Once done, tap "Save".

With that, your online store is now showing your customized brand!
