

How to Publish and Unpublish Products?

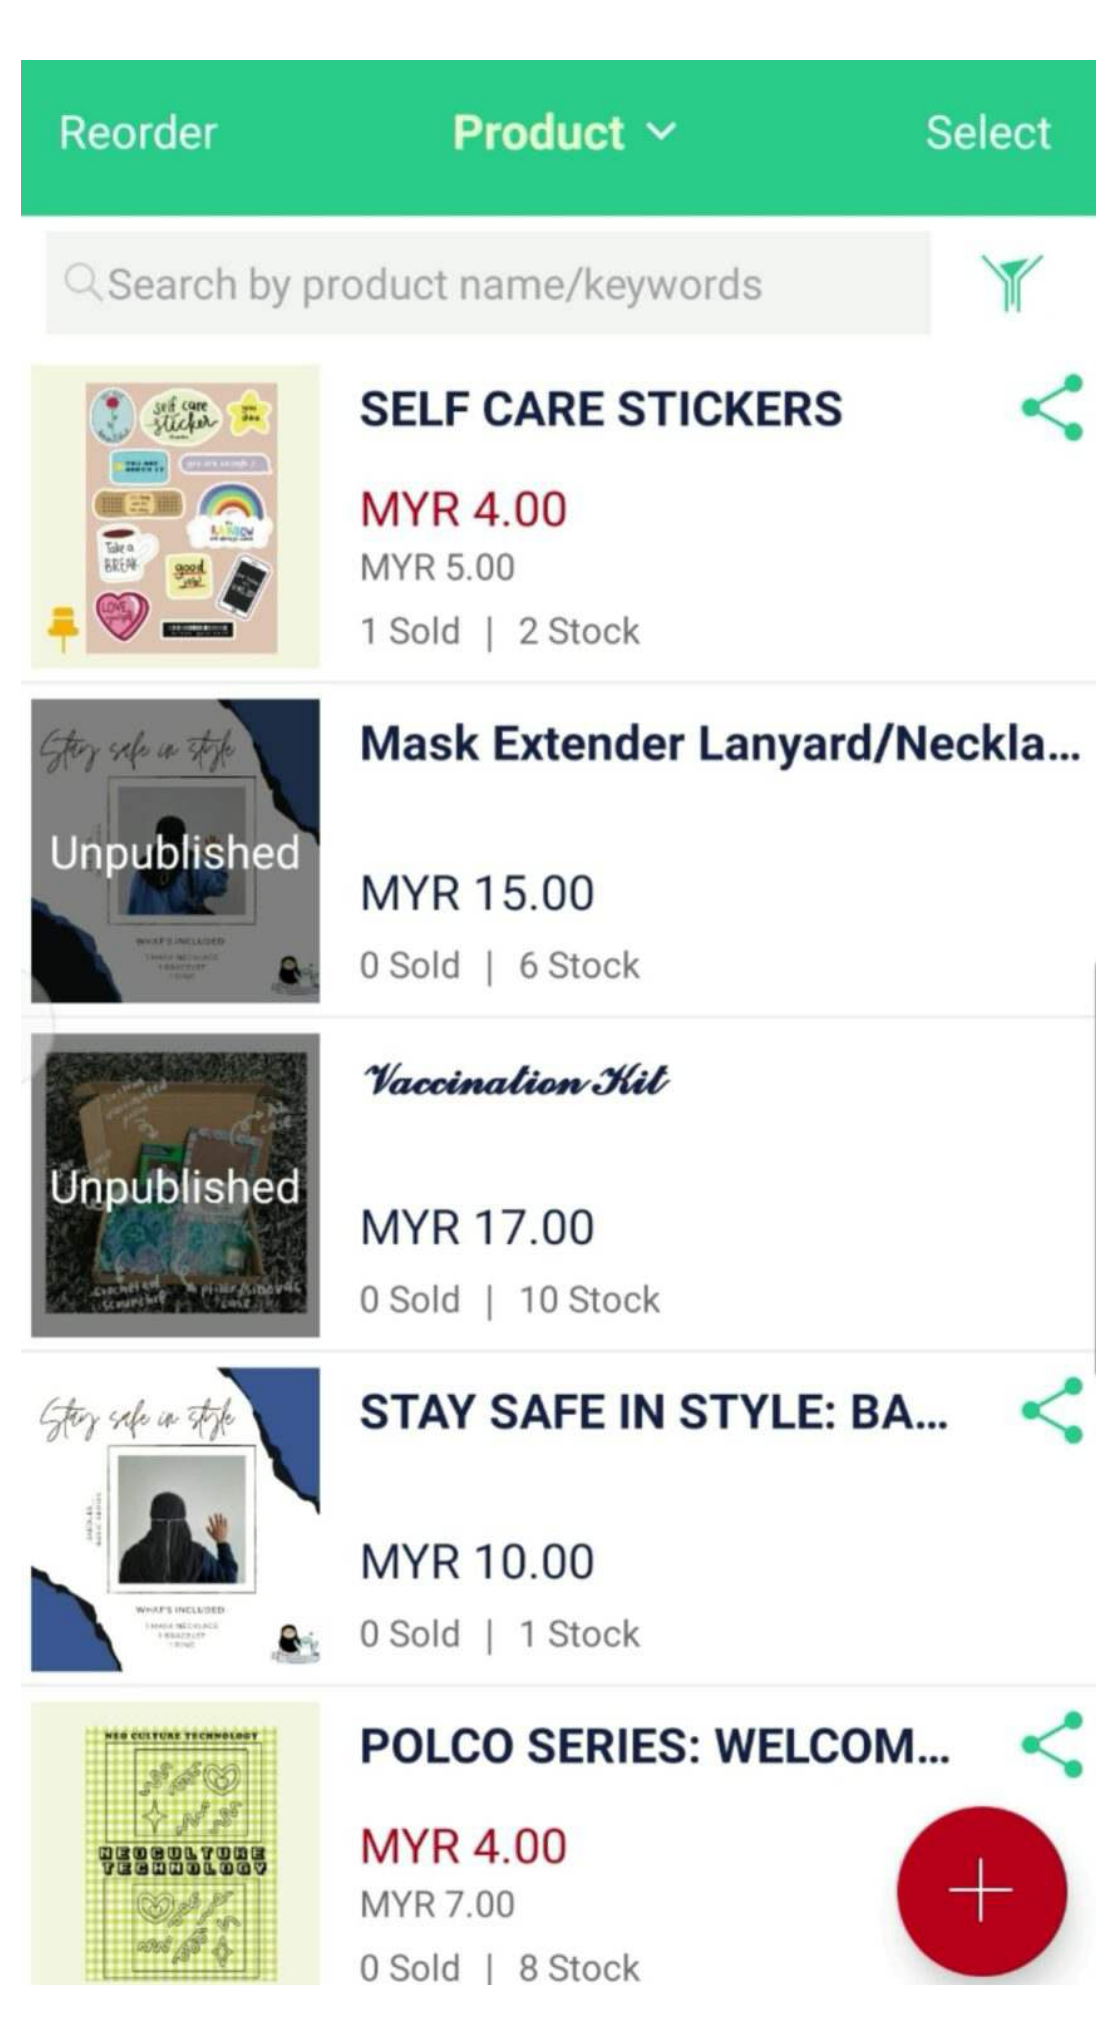

ENGLISH TUTORIALS, INTRODUCTORY SERIES

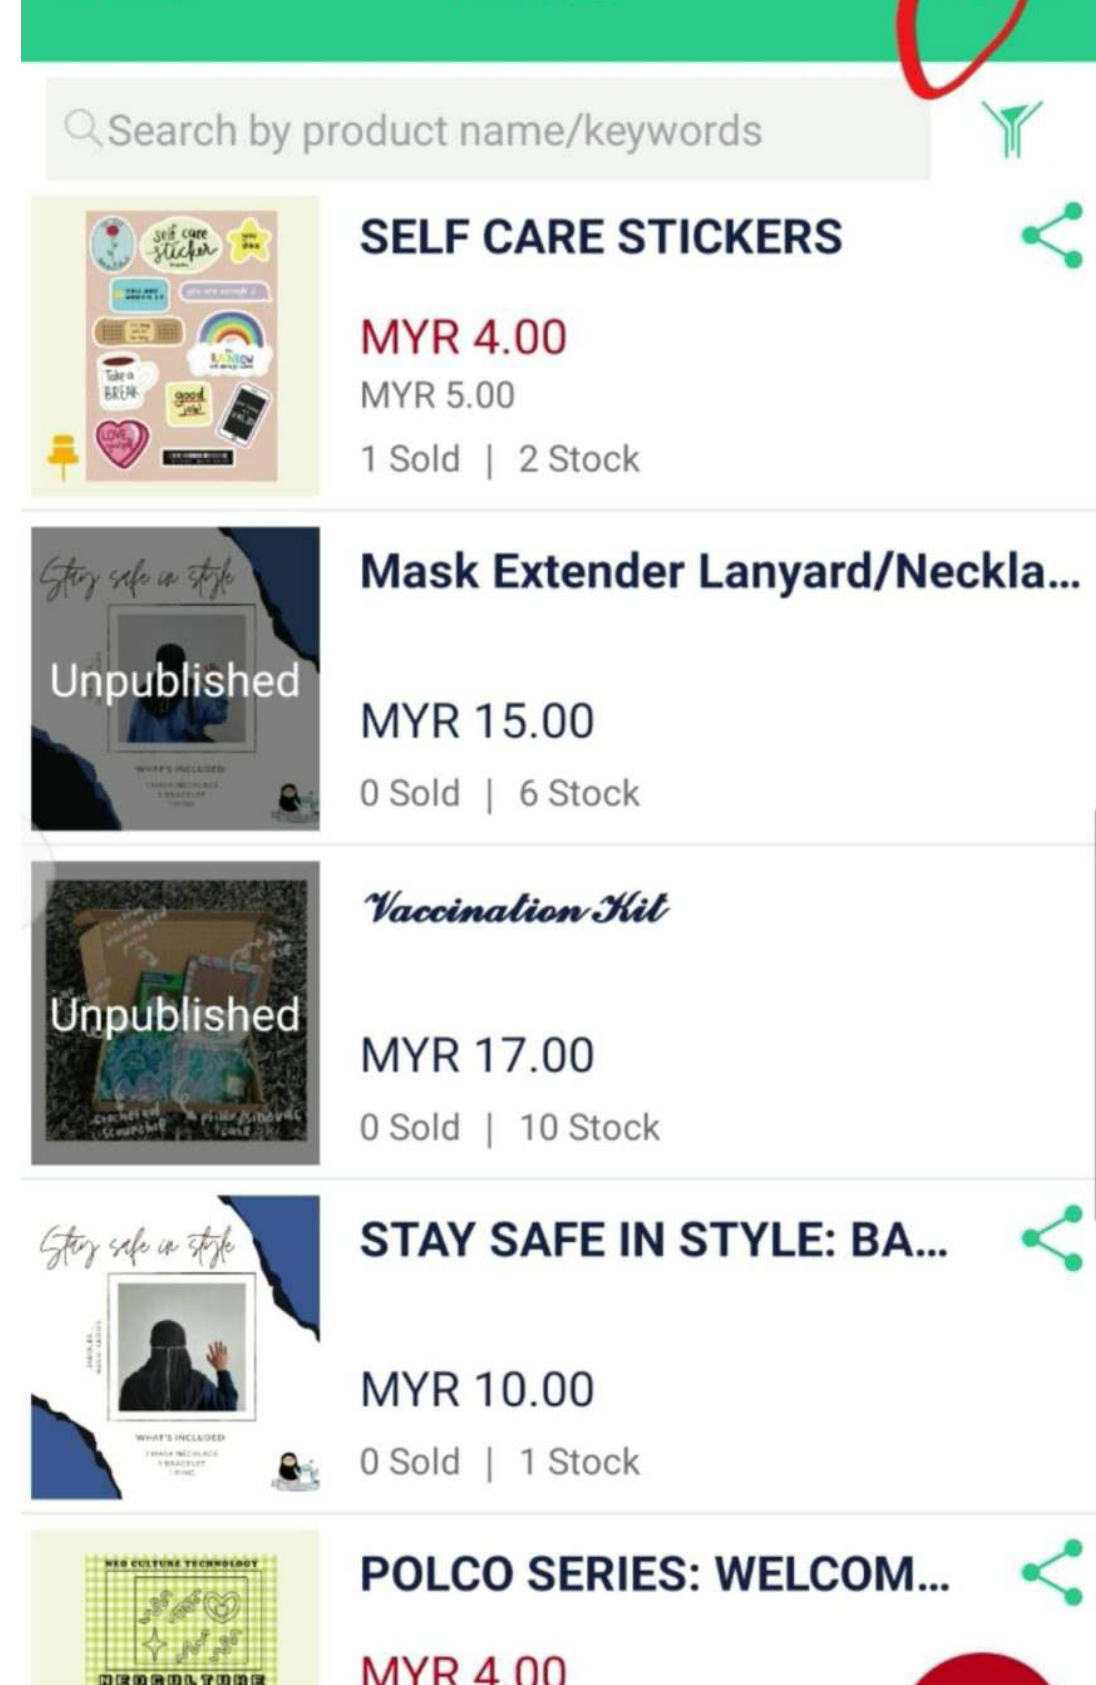

1. On your Boutir app homepage, tap on the "Product" tab at the bottom of the page.

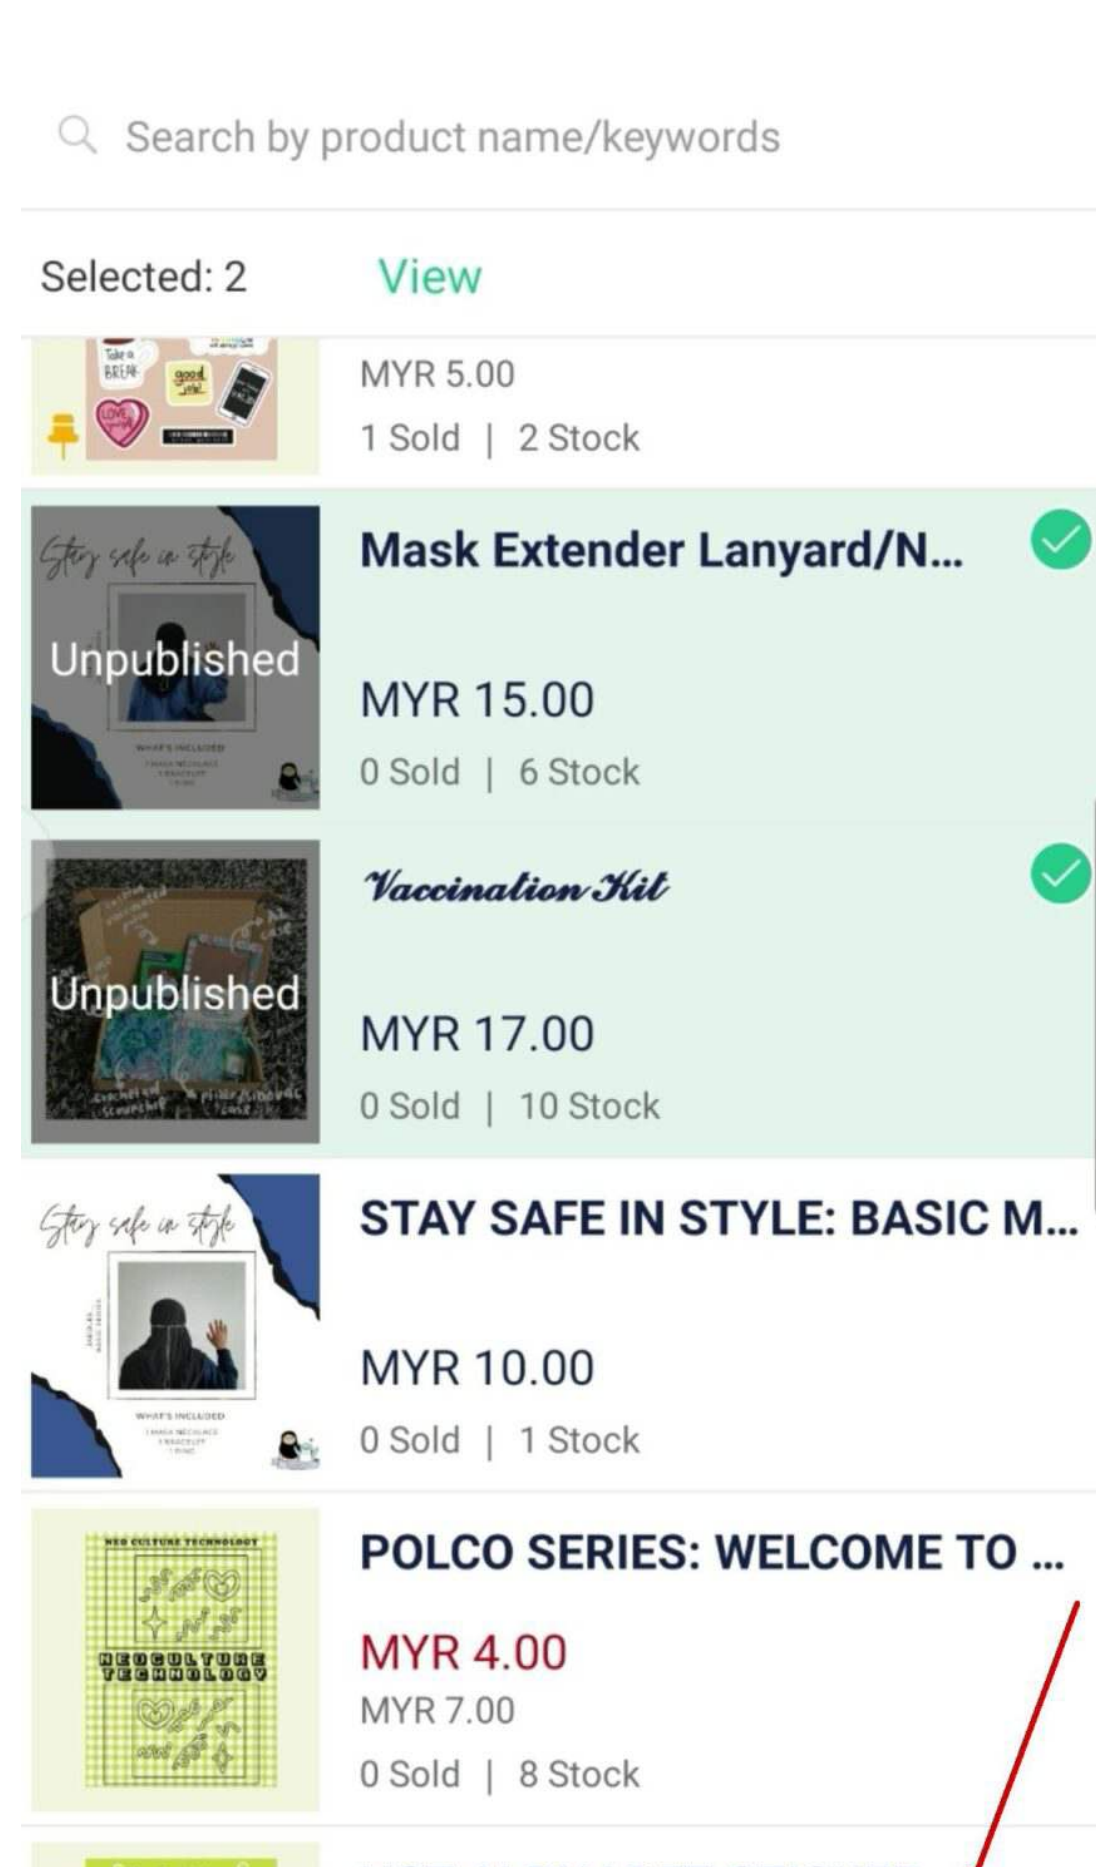

2. You will see a list of products that you have added. The ones which are unpublished or saved as "draft" will be shown as "Unpublished" in the product logo.

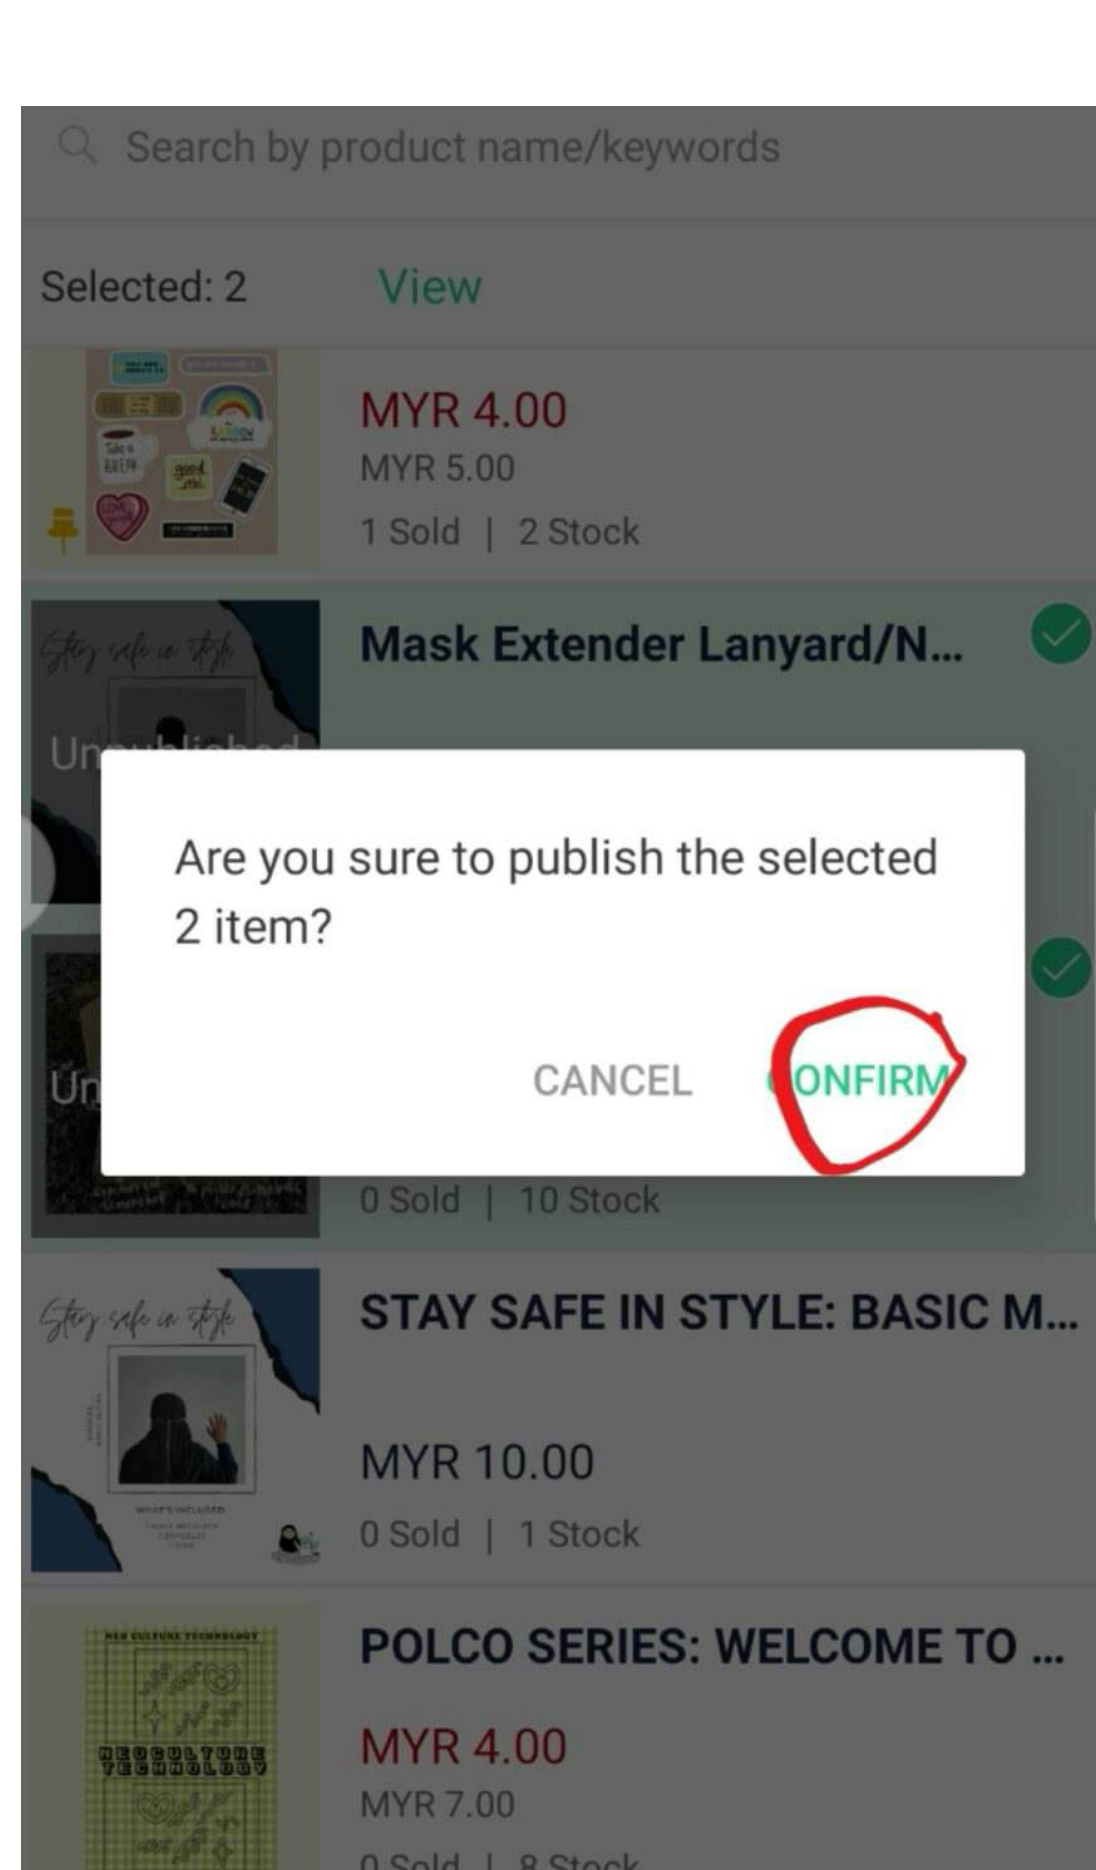

3. In order to mass publish or unpublish a product, click on "Select" to select multiple products.

4. Once selected, you can choose to publish, unpublish or even delete the selected products.

5. There will be a pop-up to confirm your action. Once confirmed, select "Confirm".

With that, your store products are now set!
